Respected Sir,

Chaurjahari Municipality lies in western part of remote Nepal in Karnali province. Which is the poorest, least developed and most backward province among all province. Thank you for providing Share light to our municipality. It is great contribution and new innovation for our place. We provided School Children. Children are very excited and happy with this light. Now children can study at night time.

We hope, our coordination and your support will be continue in the future.

Sincerely,

Mr. Bishal Sharma

Mayor
