## ACTIVITY REPORT: TO VISIT HOUSE OF POOR PEOPLE WHO NEED HOUSE SUPPORT UNDER SAVE NEIGHBOUR PROJECT ON 2023.

- Data collected for interviewed people according to their challenges.
- Finally, pictures of their houses where taken.

The following are names of people who were visited to their houses for interview

### NESTO SELAFIN FAMILY

**NAME:** NESTO SELAFIN

**AGE:** 50

**VILLAGE:** LUBUNGO

**OCCUPATION:** FARMER

**CONTACT:**

He is father of 3 children, he lives in one house and shares a room with both his wife and children. The life appearance is totally poor, his house is broken and he now lives at church until he gets thehouse.

### NESTO SELAFIN FAMILY & HIS HOUSE WHICH WERE DESTROYED.

## CHALLENGES FACES TO MR NESTO SELAFIN WITH HIS FAMILY.

- he had a house and his brother demolished it. the reason that led to his house being demolished is to build on a plot that is not his, it belongs to his brother who once gave Nesto to build a plot but later took it away from him and now he has no place to live, he has been given a chance to stay in the church for a while he is looking for his place to live.
- he has a wife and 3 children who live one house and the children are study so that they need big support for his children especially all school requirements.
- They pass through food challenge if they, as parents, have no other jobs to do apart from farming and farming is seasonal.

## BIBI KIGUNDA FAMILY

**NAME:** BIBI KIGUNDA

**AGE:**

**VILLAGE:** B/MBILI

**OCCUPATION:** FARMER

**CONTACT:**

She lives with is grandchildren to her house. The above pictures show appearance Bibi Kigunda House.

## BIBI KIGUNDA HOUSE

## CHALLENGES FACES TO BIBI KIGUNDA WITH HIS FAMILY.

- She and her grandchildren live in the same house. She and her grandchildren live in a very difficult environment. She depends on agriculture to help his grandchildren but sometimes she fails because she is very old.
- She is asking for help to build a house and mattresses to sleep on because she sleeps on the ground which eventually leads to back pain.
- She also asked for food aid because the food she gets is not enough for herself and her grandchildren.

## MAMA OMBENI FAMILY

**NAME:** BIBI KIGUNDA

**AGE:** 45

**VILLAGE:** B/MBILI

**OCCUPATION:** FARMER

**CONTACT:**

She is mother of 7 children and one granddaughter.

## MAMA OMBENI HOUSE

## **CHALLENGES FACES TO MAMA OMBENI WITH HIS FAMILY.**

- She lives in one house with all her family. The house has only 2 rooms. She is asking for house support, said that during the spring water enter inside the hpuse.
- he is asking for food aid, he says there is a serious food problem in the village.
- She said that according to their income, it is so badly finally they fail to provide proper services to the family, especially food. Her husband does not have a job and depends on agriculture to run their lives if agriculture is seasonal and now the rain has become a problem due to climate change.
